

Get an inside glimpse of the art world by attending the Essex County Riker Hill Art Park Open House. While visiting a variety of different art studios, you will have the opportunity to talk to the artists, purchase art work, and stop by the gallery to view a compilation exhibition. Artists in residence work in a variety of disciplines, including clay, jewelry, glass blowing, painting, sculpture, printmaking and photography. I invite you to discover this creative environment within our Essex County Park System.
