

We invite small, woman, minority, veteran and LGBTQ-owned businesses to join us for this FREE program. Our 'Understanding the Certification Process Workshop' will outline the steps business owners need to follow to become certified as MBE, WBE, VOB or SBE and compete for government contracts. This is another opportunity offered by our Office of Small Business Development and Affirmative Action to empower small, woman, minority, veteran and LGBTQ-owned businesses and help them succeed in today's competitive market. - Joseph N.
