

We have planned an exciting camp that will keep young children active and captivate their minds during the Columbus Day Holiday. At our Environmental Center, the classrooms extend outside of the building—onto our trails, woods, and river—so we can provide exciting, hands-on activities for children to learn about nature and the environment. I invite children to participate in our one-day camp for an autumn adventure.

# Frog Pond Fun Holiday Camp

**Monday, October 8, 2018**

**Columbus Day Holiday, 9:30am to 3:30pm, Fee: \$65 per child**

Explore the depths of our pond and wander into our wooded wetland to discover what's there beyond first glance. Through outdoor and indoor activities, campers will uncover the adaptations that allow frogs and other wetland organisms to survive and thrive while learning how we can become stewards for these fascinating species.
