The Contractor shall pay (and shall cause all Subcontractors to pay) to their workers, laborers, and mechanics employed by him or them to work on an hourly or daily basis at any trade or occupation at or about the construction sites, at a minimum the prevailing rate of wage for others engaged in the same trade or occupation in the locality in which work is being performed, as set forth under New Jersey Prevailing Wage Act, N.J.S.A. 34:11-56.25 et seq. and if such workers, labors or mechanics are employed for more than eight hours in any calendar day, they shall be paid at an increased rate for overtime.

The prevailing wage rates are determined by the New Jersey State Department of Labor. A copy of the applicable prevailing wage rates to be paid under contract may be obtained from the Department of Labor (www.state.nj.us/labor/lse/wagerate.htm). The State Wage Rates in effect at the time of award will be made a part of this contract pursuant to Chapter 150, Laws of 1963 N.J.S.A. 34:11-56.25 et seq. If such worker, laborer, or mechanic is employed by any Subcontractor whose subcontract does not contain a provision substantially similar to the provisions of this clause (requiring the payment of at least the above minimum wages, and providing for a cause of action in the event of the Subcontractor’s failure to pay such wages), such worker, laborer, and mechanic shall have a direct right of action against the Contractor. The County of Essex shall not have a direct right of action against the Contractor. The County of Essex shall not be a necessary party to any action brought by any worker, laborer, or mechanic to obtain a money judgment against the contractor, or any subcontractor, pursuant to this clause. However, in the event it is found that any worker employed by the Contractor or any subcontractor covered by the contract has been paid a rate of wages less than the prevailing wages required to be paid by the contract, the County of Essex may terminate the Contractor’s or Subcontractor’s right to proceed with the work, or such part of the work, to which there has been a failure to pay required wages and to prosecute the work to completion or otherwise. The Contractor and his/her sureties shall be liable to the County of Essex for

any excess costs occasioned thereby. Nothing herein contained shall be construed to prevent the Contractor or any Subcontractor from paying higher rates of wages than the minimum rates prescribed herein; and nothing herein contained shall be construed to constitute a representation or guarantee that the Contractor or any Subcontractor can obtain workers, laborers, and mechanics for the minimum rates or wages prescribed herein.
