

*I am proud of the skill and creativity that our students exhibit in the arts, whether it's on stage, in the studio or in the gallery. Our Essex County Teen Arts Festival is an opportunity to showcase the talent found in our 22 municipalities and share it with the public. We look forward to our teenage artists participating in this exciting event.*

## **Join us for a virtual Teen Arts Festival devoted to Visual Arts!**

The Essex County Division of Cultural and Historical Affairs is pleased to host an exciting opportunity for teens. Essex County high school students are invited to submit works of visual art for our online show. Professional artists will act as judges of the work, giving the students constructive criticism so that they can grow and develop as artists. We will also have works viewable in our online gallery.

You can enter in two ways: As an individual student or through your teacher and school.

**Submissions are due by April 14, 2022.**

Submit your work in our online portal: <https://essexcountyteenartsfestival.org/>

**Judging will take place between April 15th and May 6th.**

The online gallery will be available May 9th.
