

"This is a wonderful opportunity to learn about the variety of services available, and the important role and impact the Essex County Department of Citizen Services and the Department of Economic Development Training and Employment have on the community. Having our inaugural Open House on-site enables us to showcase the myriad of programs and services we offer and allows constituents to familiarize themselves with our site as well. I look forward to seeing you at our 1st Annual Back-To-School Open House event."

– Joseph N. DiVincenzo, Jr., Essex County Executive
