The proposed substantial amendment to the PY 2021 One Year Action Plans is as follows:

For PY 2021, the Township of Belleville was awarded \$335,000 for water main reconstruction of various roads, including Rocco Street from Newark Avenue to Newcomb Street. The Township is requesting that the scope of work for Rocco Street be extended from Newcomb Street to Sanford Avenue in order to reinforce the water main grid for the Clara Maass Medical Center as well as residents from that section of the road. The PY 2021 award amount will not be impacted by this proposed change of scope.
