Invite You To Attend the

ESSEX COUNTY 18TH ANNUAL PROJECT HOMELESS CONNECT

WHAT IS IT?

The Essex County Project Homeless Connect Day event is an opportunity to receive services delivered with care and dignity for people experiencing homelessness, at risk of homelessness, or simply needing services! The One Stop Shop expo-style for supportive services will have around 60 service providers under the same roof, including youth services, veteran services, domestic violence providers, medical, mental, and behavioral health providers, County Board of Social Services, Senior Services, Community Action, Employment Resources, etc.

"Our Annual Project Homeless Connect is an opportunity to reach out to our vulnerable residents and put them in touch with essential services, health screenings and agencies that can help them turn their lives around. We encourage our homeless clients to take advantage of the activities."
